

children reported back that they were not good quality. FO suggested we go back to getting pizzas from Papa Johns. As we now have to pay for these pizzas and only break even on them at 50p per slice, it was proposed that we raise the price of the hot food served at the disco to £1 for pizza, burgers and hot dogs. We can purchase better quality meat and the children will get value for money.

- SW will purchase the tuck for the disco and will obtain the pizzas from Papa Johns.
- FO will approach Liz Matthews at the WHF to create another poster for the disco.
- FO will organise the rota.
