

**Rodbourne Cheney
Primary School**

Dear Parents,

Wow! This term already seems very busy, but I am still so pleased that we have so many opportunities for our children to develop and we are at the forefront of creating fantastic memories for them. I would also like to express my thanks to all of our parent volunteers who help make these trips, visits and activities possible. We can't do these things without you- so thank you!

Thank you to everyone who came to our Thrilling Thursday event. It was a lovely atmosphere around the school, and a real pleasure to see so many of you attend and participate in our DT activities.

We have now changed our form of communication to Schoop. Due to reasons out of our control, I apologise for the speedy turnaround for this new form of communication. However, I am sure you will see the huge benefits for us all. There is more information overleaf on what to do with Schoop. We also have Simon Haynes visiting the school on Tuesday 4th July from 8.30am to help with setting up Schoop for all of you. Please drop in and see him. As always, we are more than happy to help and support you in the meantime so if you have any questions then please just come in and see us.

We look forward to seeing you all at our Summer fayre on Saturday 8th July.

Best wishes
Miss Davies
Head Teacher

Breakfast Club

**Due to increase in costs,
our breakfast club will be
£1.00 per day from
September.**

Extra-curricular Activities and Clubs

**We are already thinking
about next academic
year! If you have any
suggestions for clubs that
you think your child
would enjoy, then please
let me or the office know
and we will do our best to
try and put them in our
extra-curricular
programme.**

All you need to do is go to your chosen app store and download the free Schoop app. You will need to register with your name and email address to set up your account. The school ID code is **8695**. Once you are set up you will then be prompted to enter the names of your children. You will also be able to select the classes that are relevant to you.

When you receive an alert, you will see 4 icons beneath the message:

Share icon – this enables you to share the message a number of ways.

Calendar icon – this enables you to save a date to the calendar on your phone/tablet.

Letter icon – this indicates the information is in letter format.

Pencil icon – this means you are required to fill out information.

If you have set up your account but you have not added the names of your children, you can do so by looking for the alert confirmation you received after registering. It reads “Now you have set up your Schoop account, please add/update your children’s names” and you will see the highlighted pencil icon showing.

Simon Haynes will be in school on Tuesday 4th July from 8.30am to help set up, including email alert systems, and provide any advice and technical help with this.

Cycle Challenge

Thank you to everyone who helped cheer on our WHF colleagues who have cycled 200 miles to each and every school belonging to our White Horse Federation family. Well done to our colleagues for doing so well in the heat too! The charity they are supporting is Shamrock Trust Charity in Nepal.

Thank you for all of our cake donations too– it was very much appreciated.

WOW Moments

Well done to Thomas in year 5 for being a regional runner up in a national writing competition. We are all very proud of him.

Do you have any achievements you wish to share about your child?
Please let us know, we will love to hear all about it and
share it with our school community.

Elite Dance Team

Well done to our elite dance team, you represented our school so well. You danced your socks off and made us all so proud. We are absolutely thrilled that you came 9th in the national dance school championships!

360 National Award for E-safety

We are delighted to be awarded with the prestigious 360 E-Safety Award. It is great to be recognised for all the hard work we do keeping our children safe online. Thank you to all of our parents who have also supported us with this too. We are very proud to be one of 300 schools that have been able to gain this award in England.

Dates for your diary for Term 5 and 6 (summer term)
